A SUBSIDIARY OF **Quanex**

## Strong and secure balustrade and handrail system from Liniar

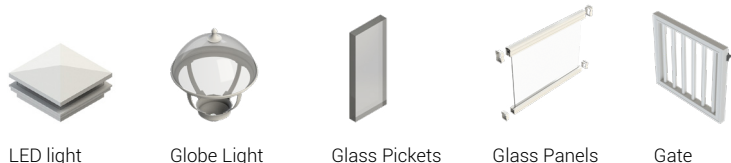

Designed to provide the perfect finish to your decking project, Liniar's balustrade system is the only fully sculptured system available in the UK. Available in a wide choice of colours and styles, the Liniar balustrade system is designed to fully match Liniar windows, doors and decking.

Liniar's balustrade system was developed using the latest technology by a British company manufacturing outdoor products since 1999.
