

DECKING HANDRAIL BRACKET SYSTEM

Our newly redesigned PVCu Decking Handrail Bracket system now includes the UK's only fully foiled, adjustable handrail brackets.

Designed to make the creation of bespoke deck shapes easier and perfectly colour-matched to Linlar's market-leading balustrade range.

- **BS6180 compliant for safety**
- **Fully foiled extruded components**
- **Easily create bespoke shaped decks**
- **Seamless adjustable range**
- **Horizontal 0-45°**
- **Vertical 0-15° (stackable)**
- **No visible fixings + reduced sightlines**
- **Integrated Angle-gauge**
- **Faster assembly**
- **No special tools required**
